

VISION PUERTO RICO

HAPPY NEW YEAR

by Howard Waller

2021 will be one of our most important years for ministry in Puerto Rico. We continue to send boxes of masks, hand sanitizer, Bibles, art supplies, Christian material and much more to people in Puerto Rico. The love and support of so many of you have enabled us to continue the message and love of Christ to those children and adults in our adopted homeland.

As Connie and I prepare to receive our vaccines and head back to Puerto Rico, we believe our most important task ahead in 2021 in Puerto Rico is sharing the hope of a better tomorrow by leading many to Christ in the new year. Just as we have been innovative in ministering during the pandemic, so we will discover new ways to spread the gospel throughout mainland Puerto Rico and Vieques.

Some of our priorities for the new year are:

- training pastors and lay people in the church by providing them with tools to share the gospel and
- training team members in evangelism by using art and special talents.

For the first time, we will provide island youth with daily camp activities. We have many teams coming to provide VBS, sports camps, and block parties, etc. These have proved very effective reaching those in and outside the church circle. There are also many opportunities for building and building repairs – in churches, neighborhoods and at a Christian school.

Please consider being part of a special prayer team, praying for the ministry of Vision Puerto Rico. Once a week, set aside a time to pray for VPR and the people of Puerto Rico. All we need is your email address!

We have stood strong through this past year, and with your continued help, we will see a harvest of those accepting the promise of a new life in Christ.

John 3:16

_____	Masks	\$25

Christmas Through The Fence

Music drifted through the fence on the Campus at Lookout Mountain Youth Facility, as the band from *Confluence Ministries* played. Inside that fence, more than 60 youth and staff sat, sang, clapped, and stood, as they gave appreciation to the band and to the volunteers of *Straight Ahead Colorado*. In addition to the music, they all heard the Gospel, presented by Howard Waller and through testimonies of some volunteers. They ate from individual boxes of goodies prepared and delivered by volunteers earlier that day. A HUGE thank you to LifeFrederick Church, Bear Valley Church, Straight Ahead Ministries, supporters and numerous volunteers who baked almost 1000 cookies, packed and delivered food boxes, and made this happen for the guys at CALM.

Gifts and more gifts

"I cant believe you did this!" a young mother exclaimed as she tried to wipe tears from her eyes. She had just received gifts for her children, whose father is incarcerated at the Lookout Mountain Youth Facility in Golden. The maximum security facility houses more than 60 youth, ages 15-21.

One of the gifts, her child's first bicycle, was given by Life Frederick Church, who purchased and wrapped dozens of gifts to give to the families. Without this support, Christmas would not have happened for all those kids!

We depend on your support to continue bringing services and programs to these youth in lock up.

More to come about weekly virtual church, and monthly programs to attract youth to hear the Gospel. THANK YOU ALL. Best of 2021 to you!
