"While we stay apart, we stand together"

March 2021

Testing the Waters

By Howard Waller

A curfew still takes place from midnight to 5am, you can get a ticket for \$100 if you are not wearing a mask, restaurants still are limited in capacity, but Puerto Rico finds tourism has increased by almost 400% since November, 2020. Our island of Vieques received enough vaccine to inoculate the entire island. Mainland Puerto Rico hopes to have enough to provide for everyone by May. The beautiful beaches of Puerto Rico shine with the hope of a new year.

As you read this, Howard is in Puerto Rico with Bart Poole, one of our board members. We are preparing for teams coming this summer and fall. The ministry of *Vision Puerto Rico* has been remarkable during this COVID crisis. By hiring a ministry associate on the island, we have been given special access to many of the churches on the island. Thousands of dollars of relief supplies, school supplies and other ministry needs have been shipped to the island. Zoom and Face-time calls have kept us even more connected.

It is truly exciting to be planning for these teams this year! VPR is following CDC guidelines for all team members.

Two construction teams, a music team, and a youth group will repair a basketball court for local youth, a community center, a church, host a sports camp, and music training. In October, other teams will be providing pastor seminars and teaching. With an emphasis on sharing the love of Jesus Christ, our goal is to see many come to know our Savior.

Your remarkable support has provided for the strong and continuing ministry in Puerto Rico. May you be blessed in 2021 the way you have blessed the ministry of *Vision Puerto Rico*.

And my God will supply every need of yours according to his riches in glory in Christ Jesus.

Philippians 4:19

More Supplies

In partnership with the Puerto Rico Baptist Association in Puerto Rico, boxes of school supplies and backpacks were delivered to churches in PR.

Another church to receive them is Iglesia Bautista Emmanuel in Mayaguez, PR. Thank you to Pastor Felix Montano, Moderator of the Puerto Rico Baptist Association, who has delivered bibles, masks, gloves, backpacks and hand sanitizers to numerous churches in PR

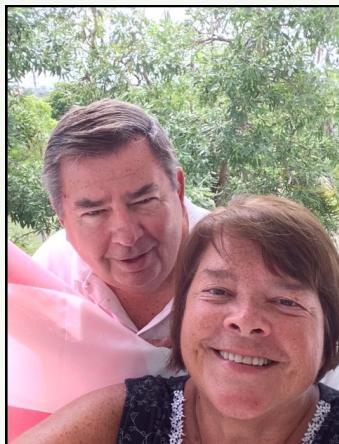

They were all given by *Vision Puerto Rico*, and its founders Pastor Howard Waller and his wife Connie. *Vision Puerto Rico* are partners in mission with the Puerto Rico Baptist Association.
